"Welcome to our classroom! I'm excited to learn and grow with you this year. Let's work together to achieve our goals."

"Remember, every question is a chance to learn. Don't hesitate to ask, and let's explore new ideas together."

"Let's maintain a positive and respectful classroom environment. Follow the rules, and we'll have a fantastic year."

Thank you
Shruti Mehta

Importance of Playtime:

It sparks creativity, builds social skills, and promotes physical health.
Through play, children learn problem-solving, explore their imagination, and develop emotional intelligence..Make time for play, and watch your child thrive!"

12/B Shakti Society, B/H Andh udyog shala,Vidyanagar, Bhavnagar

Activities are important because they:

1. Promote hands-on learning
2. Develop motor skills
3. Foster creativity and imagination
4. Build social skills
5. Enhance cognitive development

Activities help kindergarten children learn and grow in a fun and engaging way!

Appreciation

"Appreciation is the recognition of something's worth."

"We appreciate our friends who share toys with us and play together nicely. We appreciate our teachers who read us stories and help us learn new things. We appreciate our families who give us big hugs and make us feel safe.

We appreciate the fun things we do in kindergarten, like singing songs, playing with blocks, and making art. Being thankful makes us happy and feel loved!"
